

# School Fund

A little bit extra goes a long way

## Dear Parent / Carer

Can you help us add a little extra to your child's education? Contributions to our School Fund can help us buy extras such as iPads, music tuition, transport for school trips and school sports teams, as well as rewards for achievement in all areas of college life.

A contribution of only **£40 per year** would make a huge difference. You can make your payment in full by sending it in to your child's Form Tutor, or leaving it in to the College office. Or why not pay it in instalments? Contact the college if you need more information.

**THANK YOU VERY MUCH!**
